

# SO MUCH TO LEARN!

Create a portrait of one of our Zoo animals

While exploring the zoo, choose one of our animals and stop and make a portrait of it.

## HINT

It's probably a good idea to choose an animal who is still, or take a photo to work from, in case it moves away or hides!

# SO MUCH TO LEARN!

Take a photo of one of our Zoo animals

While exploring the zoo, see if you can capture an interesting animal moment as a photo. Then print it and stick it on here!

**Create a conservation event poster!**

Imagine a conservation event at the Zoo. Create a poster for your event.

## HINT

Think about:

\* What important information do people need to know?

\* What's the most important message?

**Design your own Zoo map**

Take a look at our Zoo map. Design your own zoo and draw a map of it.

**HINT**

Think about:

\* What's important for the ANIMALS?

\* What's important for the VISITORS?
