

Scavenger Hunt 1

What's the conservation status of the Ruffed Lemur?
Critically endangered

What's the scientific name for Halls Totara?
Podocarpus Hallii

What's the English name for Rewarewa?
NZ Honeysuckle

From where do Princess Parrots originate?
Central and Western Australia

What are Galahs' main predators?
Cars, cats and shooting

What are zebras' predators?
Lions, hyenas and humans

When was uBuntu, the rhino, born?
12 March 2010

Which animals' habitats are destroyed for palm oil plantations?
Orang-utans, Sumatran Tigers, Asian Rhinos and Asian Elephants

Which bird needs the Rimu to breed?
Kakapo

What's the life expectancy of a wild Brown Capuchin?
15–25 years

What do Kaka eat?
Nectar, fruit, berries, seeds, sap, insects, grubs

Scavenger Hunt 1

What's the conservation status of the Ruffed Lemur?

What's the scientific name for Halls Totara?

What's the English name for Rewarewa?

From where do Princess Parrots originate?

What are Galahs' main predators?

What are zebras' predators?

When was uBuntu, the rhino, born?

Which animals' habitats are destroyed for palm oil plantations?

Which bird needs the Rimu to breed?

What's the life expectancy of a wild Brown Capuchin?

What do Kaka eat?

Scavenger Hunt 2

What is the Latin name for an African Wild Dog and what does it mean?
Lycaon Pictus/ painted or ornate wolf

What mammals eat the Houhere tree?
Goats, deer and possums

Which desert is the natural home of Meerkats?
Kalahari

What's the scientific name for Makomako?
Aristotelia Serrata

How many Sumatran Tigers remain in the wild?
Less than 400

What's the scientific name of the Musk Lorikeet?
Glossopsitta concinna

What are the two kinds of lemurs we have at Hamilton Zoo?
Ruffed Lemur and Ring-tailed Lemur

What tree's leaves and flowers were used to make perfume and body lotion?
Lemonwood/Tarata

What colour fruit does the female Matai produce?
Black and blue

Where (in the world) do you find Southern White Rhino?
Southern and Eastern Africa

Scavenger Hunt 2

What is the Latin name for an African Wild Dog and what does it mean?

What mammals eat the Houhere tree?

Which desert is the natural home of Meerkats?

What's the scientific name for Makomako?

How many Sumatran Tigers remain in the wild?

What's the scientific name of the Musk Lorikeet?

What are the two kinds of lemurs we have at Hamilton Zoo?

What tree's leaves and flowers were used to make perfume and body lotion?

What colour fruit does the female Matai produce?

Where (in the world) do you find Southern White Rhino?

Scavenger Hunt 3

What's the scientific name for
Tawa?
Beilschiedia Tawa

What does oryzivora mean?
"Rice eater"

What was made from the bark
of the Kahikatea Tree?
Tea

How long is a giraffe's tongue?
About 50cm

Whose Latin name means "little
macaw"?
Sun Conure

What bird especially loves the
fruit of the Brown Pine?
Kereru

From where do our tigers come?
Sumatra, Indonesia

What uses the vines of the Kohia
to nest in?
Kokako

What is the Anas Gracilis'
common name?
Grey Teal

What are the Kaka's predators?
Introduced mammals

Scavenger Hunt 3

What's the scientific name for Tawa?

What does oryzivora mean?

What was made from the bark of the Kahikatea Tree?

How long is a giraffe's tongue?

Whose Latin name means "little macaw"?

What bird especially loves the fruit of the Brown Pine?

From where do our tigers come?

What uses the vines of the Kohia to nest in?

What is the *Anas Gracilis*' common name?

What are the Kaka's predators?

Scavenger Hunt 4

What often eats holes in the leaves of the NZ Pepper Tree?
Brown Looper Caterpillars

How many Painted Hunting Dogs are there in the wild?
Less than 5000

What is the natural habitat for Ruru?
Forests, parks, plantations

Which mountains are home to Red Pandas?
Himalayas

What is a nickname for the Tui?
Parson-bird

How did early Māori people know it was time to plant Kumara?
Flowering of the Kowhai

What is the only NZ parakeet with an entirely green head?
Antipodes Island Parakeet

What eats the fruit of the Puriri tree?
Wood pigeons, Tui and Kaka

What's the conservation status of the Cotton-Top Tamarin?
Endangered

What's the English name for Pateke?
Brown Teal

Scavenger Hunt 4

What often eats holes in the leaves of the NZ Pepper Tree?

How many Painted Hunting Dogs are there in the wild?

What is the natural habitat for Ruru?

Which mountains are home to Red Pandas?

What is a nickname for the Tui?

How did early Māori people know it was time to plant Kumara?

What is the only NZ parakeet with an entirely green head?

What eats the fruit of the Puriri tree?

What's the conservation status of the Cotton-Top Tamarin?

What's the English name for Pateke?

Scavenger Hunt 5

What's special about the Spider Monkeys' tail tips?
They are hairless and grooved, and each print is unique to the individual

What are Red Pandas' predators?
Snow leopards and humans

What's the common name for Alectryon Excelsus?
Titoki

What does Putaputaweta mean?
"Full of weta holes"

What did Māori people historically use Puahou to predict?
The season's bounty

To how old do Blue and Yellow Macaws live?
60 yrs

What are predators of Spider Monkeys?
Harpy Eagles and small cats

What's the Te Reo name for the Red-Crowned Parakeet?
Kakariki

What's the Latin name for the Antipodes Island Parakeet?
Cyanoramphus Unicolor

What's the Te Reo name for Cyanoramphus Novazelandiae?
Kakariki

Scavenger Hunt 5

What's special about the Spider Monkeys' tail tips?

What are Red Pandas' predators?

What's the common name for Alectryon Excelsus?

What does Putaputaweta mean?

What did Māori people historically use Puahou to predict?

To how old do Blue and Yellow Macaws live?

What are predators of Spider Monkeys?

What's the Te Reo name for the Red-Crowned Parakeet?

What's the Latin name for the Antipodes Island Parakeet?

What's the Te Reo name for Cyanoramphus Novazelandiae?

Scavenger Hunt 6

Which are the only primates that build nests?
Ruffed Lemurs

What plant was historically used by Māori people as rat-proof linings for food stores?
Tree Fern/Wheki

How many bison were there in North America in the 1820s?
60 million

What is a Helmeted Guinea Fowl chick called?
A keet

What tree was used to make fish hooks?
Korokio

What do Whio eat?
Water insect larvae, algae

What is the name of the kind of motion Siamangs use to swing through the trees?
Brachiation

How many eggs does the Bleeding Heart Pigeon usually lay?
Two

Why do Cunningham's Skinks have spikes on their backs?
To resist predators pulling them out of their holes

What number of Ring-Tailed Lemur are usually in a group?
12–20

What's the common name for Solanum Aviculare?
Poroporo

Scavenger Hunt 6

Which are the only primates that build nests?

What plant was historically used by Māori people as rat-proof linings for food stores?

How many bison were there in North America in the 1820s?

What is a Helmeted Guinea Fowl chick called?

What tree was used to make fish hooks?

What do Whio eat?

What is the name of the kind of motion Siamangs use to swing through the trees?

How many eggs does the Bleeding Heart Pigeon usually lay?

Why do Cunningham's Skinks have spikes on their backs?

What number of Ring-Tailed Lemur are usually in a group?

What's the common name for Solanum Aviculare?

Scavenger Hunt 7

How many colours of alpaca are there?
At least 22

What's the Te Reo word for the Black Matipo?
Kohuhu

How many toes does an agouti have on each foot?
8: 5 front, 3 hind

What was Pigeonwood historically used for by Māori people?
Making musical instruments

How heavy are Pygmy Marmosets?
About 120g

What's the conservation status of the Yellow-Crowned Parakeet?
Near threatened

What's the English name for Mamaku?
Black Tree Fern

What's the average clutch size of the Paradise Shelduck?
9 eggs

Which tree in our free flight aviary is related to coffee?
Karamu

Can Weka fly?
No

Scavenger Hunt 7

How many colours of alpaca are there?

What's the Te Reo word for the Black Matipo?

How many toes does an agouti have on each foot?

What was Pigeonwood historically used for by Māori people?

How heavy are Pygmy Marmosets?

What's the conservation status of the Yellow-Crowned Parakeet?

What's the English name for Mamaku?

What's the average clutch size of the Paradise Shelduck?

Which tree in our free flight aviary is related to coffee?

Can Weka fly?

Scavenger Hunt 8

What do Spider Monkeys eat?
Fruit and seeds

How fast can the Southern
White Rhino run?
Up to 50km/h

What's the English name for the
Kotare?
Sacred Kingfisher

What do Ring-tailed Lemurs eat?
Fruit, leaves, flowers, insects

What's the Te Reo name for the
Cabbage Tree?
Ti Kouka

What do Bellbirds eat?
Nectar, fruit, insects

For what can the leaves of the
Nikau palm be used?
Weaving baskets

What is the Scarlet Macaw's
habitat?
Tropical rain forest canopy

What is the normal gestation for
a Fallow Deer?
34 weeks

In what kind of habitat does the
Banded Rail live?
Wet gullies, swamps, estuaries,
lake edges

Scavenger Hunt 8

What do Spider Monkeys eat?

How fast can the Southern White Rhino run?

What's the English name for the Kotare?

What do Ring-tailed Lemurs eat?

What's the Te Reo name for the Cabbage Tree?

What do Bellbirds eat?

For what can the leaves of the Nikau palm be used?

What is the Scarlet Macaw's habitat?

What is the normal gestation for a Fallow Deer?

In what kind of habitat does the Banded Rail live?
